

KENT NETBALL SCHOOLS TOURNAMENTS CONFIRMATION DETAILS

U13 - Wednesday 5th February 2025

Dear all,

Thank you for your entry to the above tournament. Please take careful note of these instructions and pass to anyone who will be attending on the day.

I start by highlighting some important general information. Kindly read this carefully.

- Coach drivers will only be allowed on site if they can produce a valid DBS certificate and
 photo identification. Any coach driver who cannot provide this evidence will need to drop
 the players at the entrance to the school and return there to collect them.
- Drivers given access must remain in the area of the carpark and not wander around the site.
- No smoking or vaping on site.
- Spectators are not allowed onsite.
- Parents collecting players at the end of the day must wait at the entrance to the school and are not permitted to wander to the netball courts.
- Dogs are not permitted on site.
- All teams will be expected to remain onsite until at least 3pm.
- In October we advised that in response to complaints from schools and due to safety concerns, all school tournaments from 2025, it will be mandatory that all umpires must have a minimum qualification of an 'IO' award.
- If an umpire is a full member of EN and wants to be assessed, they can let <u>Keeley</u> know so this can be arranged.
- If you wish to source an umpire, you can visit our <u>Kent Netball Umpires & Coaches</u> Facebook group to make a request.
